

Casualty Overview

“

Our Casualty team is among the leading independent producers of income to many of our markets, and prides itself on delivering ‘out of the box’ solutions and putting its clients first.

Justin Whitehead, Head of Casualty Solutions

The R K Harrison Casualty team provides innovative solutions for the more difficult classes of casualty exposures. Based in London and Bermuda, the team is a dynamic force of brokers and technicians with a combined experience of over 100 years.

The team is recognised for its innovation and market relationships and specialises in USA, Canada and international jurisdictions. Our aim is always to seek long-term stable relationships conducted in the true spirit of partnership.

The team operates to the highest standards in assessing each risk and conducts significant pre-qualification, allowing us to establish the most cost-effective and tailor-made solutions possible for our clients. We strongly encourage an open style of communication and a seamless work pattern and each account is overseen by a divisional director to ensure heavy client focus at every stage.

Products Recall/Contamination

The team is recognised as the leading independent in this class. We have designed programmes for leading Fortune 500 companies as well as the smaller risks from meat to potatoes. We are the line slip broker for a Restaurant Contamination Facility and specialise in the areas of food, beverages, consumer products and automotive component parts. We represent markets in London, Europe and Bermuda.

Umbrella/Excess Liability

The London, European and Bermuda markets provide over USD500m capacity for Excess Casualty and we have a strong reputation for delivering solutions in the following areas:

- Biotech
- Chemicals
- Children's Products
- Construction / Wrap-ups
- Consumer Products
- Food & Beverage
- Heavy industry
- Life Sciences
- Medical products
- Nutraceuticals
- Pharmaceuticals
- Public entities
- Retail
- Services
- Toys
- Transportation

Our team has considerable experience in all of these classes and have a track record in delivering bespoke solutions.

Programmes

The Division has impressive experience in designing and implementing programmes and binding authorities in many specialist classes:

- Restaurant Food Borne Illness
- Employment Practices Liability
- Products Contamination
- Captives
- Alternative Risk Programmes
- Canadian Risks

Other Specialties

The Casualty team also has a strong reputation in:

- Insurance Brokers Errors & Omissions Insurance
- Risk Retention Groups
- Lawyers Professional Liability
- Canadian General Liability

Expertise

We have earned a reputation for delivering bespoke solutions for clients and always seek to provide the broadest possible coverage using our markets. No risk is considered too small or too large for us to manage.

Experience

We placed one of the first Product Recall policies to the London market nearly 20 years ago. We have worked together as a team for over 10 years and have a track record of performance, results and negotiating complicated and challenging claims.
