

Charitable Giving

Supporting charitable causes, whether local, national or worldwide, is just one of the actions RKH is taking to make a difference to the community and to the world around us.

The RKH Group Charities Committee

- Our central Committee supports a number of different charities each year. Since its launch the committee has sponsored charities ranging from those personal to the Group, such as the Ben Wilson Trust (www.btlwilson.com), through to well known organisations such as Cancer Research UK.
- Individual fundraising: the Group encourages employee fundraising efforts, matching donations up to £1000.
- RKH offices organise a series of fundraising events each year such as fun days, BBQs and quiz nights in order to raise money for important causes such as Comic Relief and Children in Need.
- The Group is part of the Give As You Earn Scheme, which allows RKH employees to make charitable donations to their choice of Registered Charity/Charities directly from their gross salary.
